

The K-crew Teach Smarter not Harder!

The K-Crew is pleased to present teachers the opportunity to apply for one of four resource grants. Candidates will be chosen by a committee according to the following guidelines:

1. Number of Years Teaching Experience (at least one new teacher and one veteran teacher will be chosen)
2. Completeness and Timeliness of Application

Applicants should answer the following questions **on school letterhead**:

1. *How many years teaching experience do you have?*
2. *In what grade levels have you taught?*
3. *Describe the student population your school serves. Be as specific as possible, including number of students, grade levels, ethnicity, socio-economic factors, and any other characteristics which may be unique to your school.*
4. *Describe the community surrounding your school, including volunteerism and parent involvement.*
5. *Describe your opportunities as well as school expectations for professional growth.*
6. *How did you find out about K-Crew resources?*
7. *Have you ever used any K-Crew resources?*
8. *Which K-Crew resources would most benefit your students? Please explain why you think each resource would be more beneficial than other materials you have used.*
9. *How do you feel teachers can become better teachers?*

Applications should be on **school letterhead** and **signed by both the applicant** and a **school administrator**. Be sure to include your name, mailing address, phone number, and e-mail address. Application deadline is **June 1, 2008**.

Send completed applications via:
