Unit pictures for tracing designed
to help students develop fine
motor control and eye-hand
coordination

Tracing

This book contains two pictures for each unit to be placed in the fine motor center for students to trace. To use these projects you will need to:

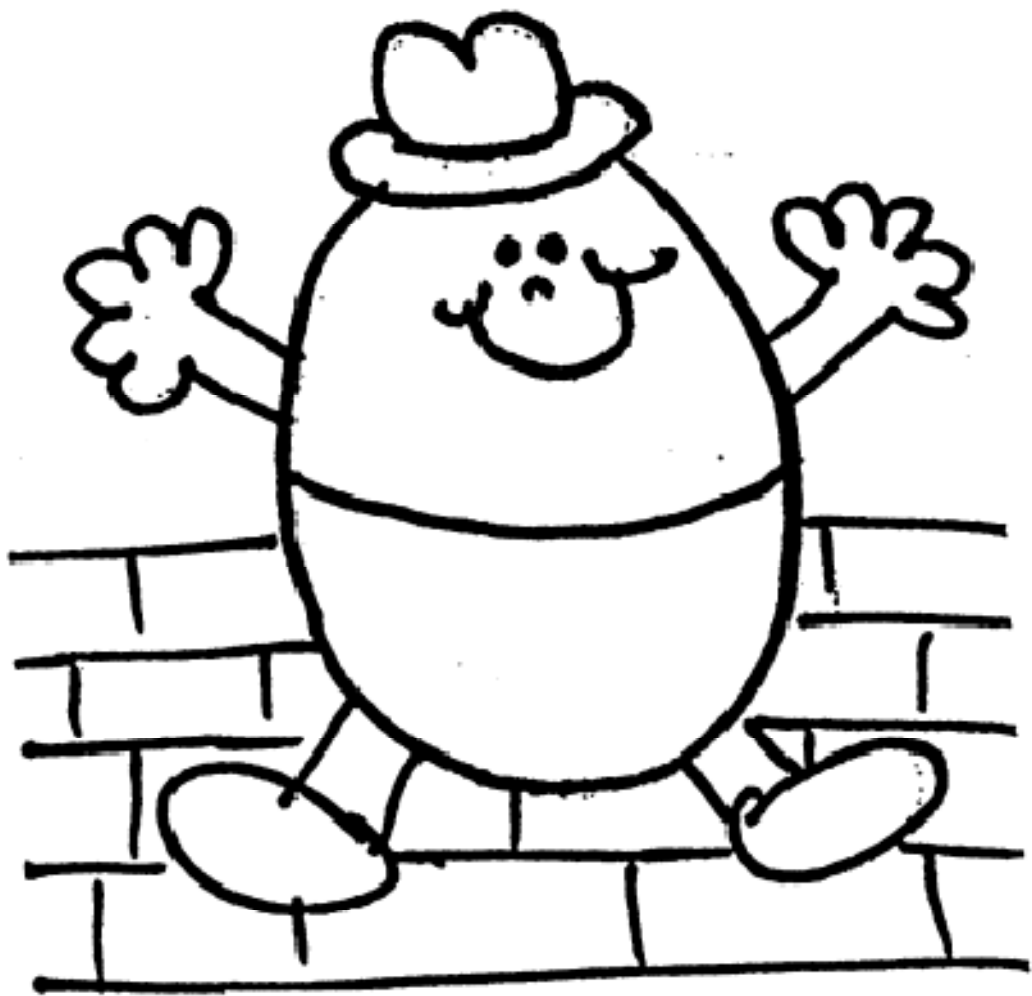

1. Make copies of each of the pictures.
2. Mount the pictures to file folders and laminate.
3. Place in the fine motor center.

Directions for the students:

1. Choose one of the pictures to trace.
2. Place a sheet of clean white paper over the picture and secure it with a paper clip.
3. Trace the picture.
4. Return original picture and paper clip to the fine motor center.

To view students using tracing pictures, you may visit our website at the following address:
